Program & Course Overview

» LEARN ABOUT YOUR PROGRAM AND FUTURE STUDY OPTIONS

USC International Academy offers four programs. Below you will find a summary of what each program offers. For more detailed information, please visit our website: international.usc.edu

INTENSIVE ENGLISH PROGRAM

Full-time Intensive English Program students at the USC International Academy study in three different classes each week for a total of 20 hours per week.

Reading, Writing and Grammar

Reading, Writing, and Grammar classes are taught at any academic level. In lower levels, you build reading skills. In intermediate levels, you read stories, articles and authentic texts, write about them, study vocabulary, and discuss the content. In higher levels, the focus is on academic reading and writing.

Listening and Speaking

Listening and Speaking classes teach students about speaking, listening and pronunciation. At the lower levels, you will gain the confidence in speaking English inside and outside of the classroom. At the higher levels, the focus is on listening, speaking, and note-taking in natural and academic contexts and students practice public speaking and presentation skills.

Focus Skills Courses

Students can choose one focus skill course from choices offered at each level. Typical elective course options include TOEFL/IELTS test preparation, Vocabulary, Pronunciation, and Life in Los Angeles. Focus Skill course options are subject to change.

PRE-MASTER'S PROGRAM

Pre-Master's students have already been accepted to select USC master's programs and take courses to prepare their English and academic skills for the rigors of USC graduate coursework.

In the Pre-Master's program, you will learn how to read and critically assess academic texts, communicate effectively in writing and speech, develop a graduate-level vocabulary, and improve your GRE/GMAT test-taking strategies to help you reach your required score for your degree program. Split into two tracks, courses are tailored to the reading and writing styles of your discipline and will introduce you to topics and content relevant to your field of study.

At the highest levels in the Undergraduate Preparation Program, students may also take up to 12 units of transferable USC course work.

Conversation Groups (open to all Academy programs)

Each week, you can sign up to join a conversation group. This is a great option to practice your English language skills with USC students in an informal setting. Conversation topics include American culture, university life, current events and other topics of interest.

Sign up for conversation groups online by visiting: iastudents.usc.edu and click "Sign Up for Language Labs" under Quicklinks.

One-on-One Conversation Partners are also available for \$10/hour. For more information: <http://dornsife.usc.edu/ali/one-on-one-conversation-partners/>

Academy Policies

» RULES ABOUT YOUR PROGRAM AND CLASSES

PROGRAM FEES

Students must pay all fees before the program begins. **Students who do not pay on time will not be able to attend classes.** If you have questions about this policy, please contact Finance Specialist, Claudia Cortez: cortezcl@usc.edu.

LEVEL PLACEMENT

All new students take the English Placement Exam to determine their English level of proficiency.

The exam will test your writing, listening, and reading skills as well as your grammar and vocabulary. You will be placed in an academic level based on your performance on the exam.

During the first few days of class, your teacher will observe your class performance and English ability very carefully to be sure that your placement is correct. If you are late for the placement test you will have to pay Late Testing fee of \$100.

CLASS CHANGES

If you think one of your classes is not the right level, you should talk to your teacher(s) first and then fill out the Class/Level Change Request Form. You can get this form at the International Academy Academic Front Desk - suite 200.

Level changes are made for language reasons only, not for other reasons. We do not make changes to class schedules because of classroom location, teacher preference, or class time. Level changes will be made based on your performance during the first few days of class and from teacher recommendations. No class changes will be permitted after you complete the first two weeks of the program.

Focus Skills Course

Intensive English Program students who would like to change their focus skill course must attend their originally scheduled class at least one time.

You may change to another focus skill course if A) the other class is available for students in your level, B) there are not too many students already in the class, and C) the new class meets your educational needs.

To change your focus skill course, please complete the Focus Skills Class Change Request Form available for you in the International Academy Academic Front Desk - suite 200. Students who arrive after the beginning of the session may have a limited choice of elective course options.

PROBLEMS IN CLASS

If you have a problem with your class, your homework assignments, your teacher, or your attendance, you should first talk to your teacher. Americans prefer that people be direct and honest with them. If you and your teacher are unable to agree on a solution, you should talk to the Academic Director.

Attendance

» MAINTAINING YOUR STUDENT STATUS

ATTENDANCE

Students are expected to attend every class every day. Students who are absent too often will be warned in writing that they must attend class or risk being dismissed from the school and being out of status with SEVIS. Students who are absent more than 20% of Academy courses are not awarded a certificate of completion.

All absences are counted, even those for reasons caused by medical, legal or family emergencies (there are no excused absences). Students with serious medical illnesses should notify the Academic Director as soon as possible.

IF YOU ARE LATE TO CLASS OR ABSENT:

- By five to fifteen minutes = you will be marked absent for half an hour (30 minutes).
- More than fifteen minutes late up to 45 minutes = you will be marked absent for one hour.
- If later than that, you will be marked absent for the entire class.
- If the total hours of absence reach 20% of class time at any point in the semester, you will be placed on probation.
- If a student who is on probation continues to miss or be late for classes, the student will be dismissed from the language program and his/her student visa will be terminated in SEVIS.

PROBATION

Students who have many absences are put on "probation." Students on probation are in serious danger of losing their full-time student status.

In order to maintain full-time student status with the university, a student who is on probation must attend classes and improve attendance. Students on probation may not be able to transfer to another university unless

they improve their attendance and complete the semester in good standing.

Students who meet the requirements of their probation and who finish the semester in good standing are allowed to register for the next semester. Those who fail to improve their attendance are dismissed from the program without refund, lose their full-time status, must leave USC housing, and are not allowed to register for the next semester.

Students who are absent more than 20% are automatically considered "out of status." Students who are out of status will not be allowed to enroll again at the Academy. In rare cases, the Academic Director may decide to allow that student to continue in the next term. Students who are permitted by the Academic Director to re-enroll will be on probation starting at the beginning of the term.

Students starting any term on probation will automatically be dropped from the program and terminated in SEVIS if they are absent more than 20% of the total class time.

Grades & Recognition

» ACADEMIC STANDARDS FOR SUCCESS

GRADES

USC International Academy students are given grades for each course.

Performance Grade

Only the performance grade is used to determine whether or not a student passes to the next level. The chart on the right describes the performance grade standards.

- Students who receive a grade of C- must repeat the level in that class.
- Students who receive a grade of D+ or below will not pass to the next level.

Students who have less than a C- grade point average at the end of the session may be discontinued from the International Academy at the discretion of the Academic Director.

PRE-MASTER'S GRADE POLICY:

To successfully meet the conditional requirements of your USC admission offer, you must complete your Academy courses with an overall B average with no grades less than a C. You must also meet any other requirements set by your university department (e.g., GRE score).

ACADEMIC RECOGNITION

Full time students with a GPA of 3.95 or higher, achieve "Highest Honors" and it will be acknowledged on their Certificate of Completion.

The Academy also chooses one or two full-time students each term to be awarded as the "Outstanding Student." These are students chosen by Academy faculty and staff who show exemplary contribution to the program in academic performance, leadership and community life. The "Outstanding Student" receives a plaque displaying his or her special certificate.

PERFORMANCE GRADE STANDARDS

- > **A (90% - 100%) = Excellent**
(to be given to the excellent student whose performance always meets or exceeds the requirements of the course and the expectations of the instructor)
- > **B (80% - 89%) = Good**
(to be given to the student whose performance regularly satisfies the requirements of the course and the expectations of the instructor)
- > **C (70% - 79%) = Borderline Pass**
(to be given to student who attains passing proficiency while meeting the basic requirements of the course and reasonably satisfies the expectations of the instructor)
- > **D (60% - 69%) = Poor**
(to be given to the student whose performance seldom meets the requirements of the course and expectations of the instructor)
- > **F (Below 59%) = Fail**
(to be given to student whose performance clearly fails to attain the minimum required proficiency needed to advance to the next higher level).

Student Conduct

» LEARN ABOUT RULES AND BEHAVIOR EXPECTATIONS

You are expected to abide by the student conduct rules of the USC International Academy, USC Student Conduct Code & Policies, (https://studentaffairs.usc.edu/files/2015/11/SCampus-Final-112015_v8.pdf) as well as the laws of the United States.

You are expected to conduct yourself in a manner that is considerate of those around you. Inappropriate conduct includes but is not limited to disruptions to the learning environment (i.e. use of profanity, harassment); deliberate destruction, misuse, or theft of USC property or the property of fellow classmates; violence or threats of violence towards persons or property of students or USC staff; improper use of email or Internet access; and failure to comply with local copyright or criminal laws forbidding the misappropriation, copying or alteration of copyright-protected materials. If you commit a criminal offense, violate the student conduct code or school policy, such as a poor attendance record (whether or not such attendance is in breach of any visa attendance requirements), are absent for 14 consecutive days without notification, or fail to pay the remaining program and service fee amount for your program by the deadlines provided, you may be expelled or suspended.

No refund will be given and the immigration authorities will be informed. Travel and other costs incurred as a result of expulsion must be met by you or by your guardian.

ADDITIONAL RESOURCES

For more information about student life at USC, safety, important dates, and deadlines, visit the International Academy Student Portal at: <http://www.iastudents.usc.edu>.

The student portal is complete with an events calendar for upcoming activities and deadlines and also academic resources for policies and course registration.

Visa and Immigration

» STAY INFORMED ABOUT YOUR LEGAL RESPONSIBILITIES

IMMIGRATION CHANGES / UPDATES

At this time, immigration regulations and procedures are changing frequently. It will be your responsibility to stay informed regarding these changes and how they affect your student status. The Academy office will try to keep you well informed of the new changes via email. If you have any questions or concerns, please see an Admissions and Immigration Advisor at any time:

TRANSFER STUDENTS

To transfer to another school from the International Academy, a letter of admission and transfer form must be presented to an Admissions and Immigration Advisor.

All fees for the session in which a student is enrolled must be paid prior to transfer and the student's attendance must meet minimum requirements.

I-20 DETAILS

Your I-20 is issued to cover the program dates listed in Section 5 of your SEVIS I-20 and is renewable. If you are studying on a USC International Academy I-20, you are considered a full-time student and must maintain full-time status during your stay.

All students must provide the Academy with a copy of their passport, visa, and I-20. Once you arrive to the U.S., please email copies of these documents to:

i20-international@usc.edu

If you did not email copies of these documents to the International Academy, please bring your paperwork to be photocopied during Orientation.

TRAVEL DETAILS

Students on a USC International Academy I-20 who plan on traveling outside of the U.S. will need a travel signature from the Admissions and Immigration Advisor on the third page of their I-20.

Please see the Admissions and Immigration Advisor to discuss any issues regarding your travel plans.

LEGAL SERVICES

If you have any questions as to your immigration status, make an appointment with an Admissions and Immigration Advisor. If you are away from school and experiencing some difficulties with U.S. Consulate officials over visa matters, please do not hesitate to call the Academy office and alert them to your problem.

Identification

» CARRY OFFICIAL IDENTIFICATION WITH YOU AT ALL TIMES

STUDENT IDENTIFICATION CARD

Everyone who studies at USC receives a USC identification (ID) card, also known as a USCard. Your USCard will hold your student ID number, which is an important number that you will need during your study at USC, and which you will need to carry with you at all times.

If you did not get your card during Orientation, then visit the USCard office in Parking Structure X. Fill out an application and tell the person at the counter that you are a USC International Academy student. They will have a list with your name on it. If you have any problems, ask for the manager and they will either process your card or call the Academy office for clarification. They will then take your picture and put it on a plastic card with your name and ID number.

Add Money to Your USCard

You might want the convenience of using your USCard for campus purchases at the Bookstore, library, restaurants, concessions and vending machines. It is easy to load any value you would like to your USCard online at usc.edu/vipcardservices or at the USCard office. DO NOT add money to your card at the Leavey Library machines.

ACCEPTED USCARD LOCATIONS:

- All campus restaurants & cafés
- USC Pharmacy
- USC Bookstores
- USC Ticket Office
- USC Mail Office
- Engemann Student Health Center
- Lyon Recreation Center (Gym)
- Yellow Cab Co.
- & more!

SOCIAL SECURITY NUMBER / CARD

A Social Security number is only assigned to people who are authorized to work in the United States. International students studying English full-time at USC are NOT eligible to receive a Social Security Card. A USC ID card is enough for most purposes.

Legally, individuals are only required to give their social security number to governmental agencies. If a business or other enterprise asks you for a social security number, you can refuse to give it; this is voluntary (not required) information.

You can request a letter from the Social Security Office explaining your ineligibility to receive a Social Security Number. See the Admissions and Immigration Advisor for more information.

The nearest Social Security Office is at the following address:

Social Security Office

1122 W. Washington Blvd. #201
Los Angeles, CA 90015

Housing

» CHOOSING YOUR L.A. ACCOMMODATIONS

As a USC International Academy student, you have many housing options. You may choose to reserve housing through the Academy or secure private housing on your own. The demand for USC International Academy housing is much greater than the number of available spaces, so students are encouraged to apply as early as possible. For prices and availability, please contact: info-international@usc.edu

RENTING YOUR OWN ROOM OR APARTMENT

Once you arrive in Los Angeles, it may take two weeks to one month to find housing off campus; families may need more time. If you choose to rent your own apartment or room, be prepared to pay a security deposit (usually the equivalent of one month's rent) in addition to the first month's rent. Many landlords require a 12-month rental agreement.

We advise that you rent within the patrol areas of the USC Department of Public Safety. In general, these patrol areas are to the north of USC and straight to the west but not to the south of campus. Those considering living farther from campus will have many choices, but transportation options should be taken into consideration.

Activities

» EXPLORE LOS ANGELES

ACTIVITIES

All students have the opportunity to explore the diverse sights of Los Angeles through the Academy's Weekly Activities. There are a limited number of spaces for each activity.

HOW TO RESERVE A SPACE

- Visit the Student Services desk in the lobby of DCC before the deadline to sign up. Any Student Services team member can help you sign up.
- If the activity requires payment, pay the non-refundable fee in cash or credit card (Visa or Mastercard) when you sign up.
- Because the number of tickets available for activities is limited, we recommend that you sign up early to secure your space

After all of the spaces are filled or the deadline passes, you may sign up on the waitlist, but spaces will only be available if someone does not show up or if we can arrange extra transportation/tickets. We will do everything we can to include everyone who wants to participate in each activity, but your help is needed. You should sign up and pay early.

CANCELLING ACTIVITY RESERVATIONS

All tickets for activities are non-transferable and non-refundable.

If you know that you will not attend an activity after signing up, please notify a Student Services team member at the Student Services Desk in the lobby of DCC.

TRANSPORTATION

Transportation is arranged for most events. We usually travel by public transport, bus or van, but sometimes we carpool with other students. If you have a car and would like to volunteer to be a driver for some of the activities, see the Student Services Coordinator.

When you attend Academy activities for which transportation is provided, you must make sure that you arrive back at the bus, van or car(s) on time. If you do not return on time, you will need to see the Student Services Coordinator before you are allowed to attend future Academy activities. If you are late returning to the location you were told more than one time, you will not be allowed to attend any more activities. If the Academy incurs late fees because you were late, you will be responsible for paying the late fees. These late fees can be more than \$100.

Alternative Transportation Form

If you choose to attend an activity but will not take the transportation provided by the Academy, you must fill out an Alternate

Transportation Waiver form before the date of the activity.

LIABILITY RELEASE FORMS

All students must fill out and sign a Liability Release Form during the first week of each session they attend. This is a form which states that you have health insurance and that you will not hold USC legally responsible if there is an accident. We do everything we can to make all activities safe for all students, and we have never had a serious accident on any of our events in the past. However, we want to take every precaution and make sure that everyone who participates in an activity has health insurance and can be properly treated should the need arise.

EMERGENCIES DURING ACTIVITIES

While all Academy activities are very safe, sometimes an emergency may occur. If you or someone in your group is hurt, lost, or experiencing any other emergency situation in which they need assistance, please seek help from any of the chaperones on the trip. To contact an on-site chaperone, you can call the Emergency Activities Phone. Do not use this phone for any reason that is not an emergency during a International Academy activity.

Exploring Los Angeles

» FAMOUS SIGHTS OF LA

NEIGHBORHOODS

There are many different ethnic neighborhoods in LA. Perhaps the best known is **Chinatown**, which is a short drive north from USC. There are many stores, restaurants, and Chinese-related events that take place in Chinatown every day. **Little Tokyo** is also not far from USC and features the culture and cuisine of Japan. The area northwest of USC is known as **Koreatown**—with delicious Korean Barbeque. The historic **Pueblo de Los Angeles** is our city’s very birthplace and features an authentic Mexican marketplace. There is also a large Jewish community in the Fairfax District and many Latino neighborhoods in East LA.

MUSEUMS

From neon art to classic cars, there are museums for everyone in LA! The most famous is the **Getty Museum** in West LA. This museum has a beautiful garden area, sculptures, famous pictures, furniture, photographs and one of the best views of LA! This museum is free along with many others including the **California Science Center** and the **Afro-American Museum** (both are across the street from USC!), **LA Maritime Museum** and **Cabrillo Marine Aquarium**.

There are other museums that are well known in LA such as **the Museum of Contemporary Art (MOCA)**, **the LA County Museum of Art (LACMA)**, **the Pacific-Asian Museum**, and **the Natural History Museum** (that is also across from USC!) that have reasonable admission prices and offer student discounts with your USC card. One museum that you will never find anywhere else is the **La Brea Tar Pits and Museum**. This museum and park will take you back to prehistoric times when animals were the life of LA!

BEACHES

LA has a magnificent coastline, stretching 72 miles from one famous beach to another. A 22 mile bike path, the longest bicycle path in the world, is a vital part of the LA beach scene. LA’s beaches start at the southern-most tip of Long Beach. **Venice Beach** is known for its unique shops and vendors as well as its beach gym. **Manhattan** and **Redondo Beaches** are pleasant and do not have as many tourists as Venice Beach and Malibu. **Malibu** has many beaches, and is known as “Hollywood-By-the-Sea”. It is particularly beautiful. **Santa Monica** is a trendy beach that has a lot of fun things nearby. Other beaches that may be of interest include **Playa del Rey**, **Hermosa Beach**, **Marina del Rey**, and **Rancho Palos Verdes**.

» **Travel Tip:** For a beautiful and scenic trip, drive along the **Pacific Coast Highway**. The PCH winds all the way up the coast of the **Pacific Ocean**. There are beaches, mountains, surfers, wildlife, flowers, and much more to see as you ride along this famous highway.

MOUNTAINS

There are plenty of places to go hiking and sight seeing in and around LA. The Santa Monica and Los Angeles Mountains are good places for hiking, camping and picnics. There are many trails above Pasadena where people hike or mountain bike. San Bernardino, Lake Arrowhead, and Big Bear Lake also have spectacular mountains, but are farther away.

SHOPPING

The Beverly Center is the mall that many USC students visit. There are many stores to suit the needs of pretty much every shopper. Westside Pavilion is located in West LA, a short drive from USC, and has many great stores and restaurants. Century City is an enormous outdoor mall west of USC with a large movie theater, department stores and fun boutiques. The garment and jewelry districts downtown have great deals during the day. Hollywood and Highland is a large outdoor mall with restaurants, clubs, shops and star sightings!

Exploring Los Angeles *Continued*

Not too far from campus is the popular **Grove**, a luxurious extension of **LA's Farmer's Market** at Fairfax and Third Street. It has many shops and restaurants, a beautiful movie theater and a tram that runs through the center and past the fountain.

And no one's shopping experience is ever complete without visiting the famous **Rodeo Drive**, where all of the stars do their shopping. This expensive strip of shops is the destination of many tourists who want to take a look at the fancy stores, or even to take a look at the famous people who might be shopping in them!

Other great shopping options:

Old Town Pasadena, the **Americana at Brand** (Glendale), **Third Street Promenade** (Santa Monica), **Westwood** (most frequented by UCLA students), **Melrose** (hip street with shops and cafes), and outlet malls such as **Camarillo Shopping Outlet**, **Ontario Mills**, and **Citadel Outlet**.

PARKS

Griffith Park is one of the largest parks in the world. It contains 28 tennis courts, picnic and sport areas, and also horseback and hiking trails. Within the park there is an observatory with a planetarium theater boasting some of the best views of the city and night sky; the **Greek Theatre**, which hosts summer events and concerts; a transportation museum; and the **Los Angeles Zoo**, which is on the north side of the park. The park also contains a bird sanctuary, an equestrian center, golf courses, a merry-go-round, and a science center.

There is also **Exposition Park**, across the street from USC! This park is the home of many museums, including the California Science Center and the Natural History Museum. It also contains the world's largest rose garden. The Olympics were held here in 1932 and 1984, using the Coliseum and the LA Sports Arena.

AMUSEMENT PARKS

Everyone knows that **Disneyland** is in California, but did you know it is only one hour away from campus? Disney has a second park next to Disneyland called Disney California Adventure park, and a great shopping area called Downtown Disney. There are many amusement parks within LA as well.

Six Flags Magic Mountain and **Knott's Berry Farm** are both packed with thrilling rollercoasters, fun shows and rides.

SPORTS GAMES

LA is a great city for sports lovers—with USC having the best teams of all! LA's professional baseball team is the Dodgers who play at **Dodger Stadium** (not far from USC).

LA is lucky enough to have two professional basketball teams: the **Clippers** and the **Lakers**. Both teams play at the Staples Center, which is directly north of campus on Figueroa Street. The **LA Kings** are the official hockey team, and they also play at the Staples Center. LA also has professional soccer, arena football, extreme football and many other sports teams.

TV TAPINGS

Have you ever wanted to sit in on the making of a television show? There are hundreds of tapings each week, from comedies to talk shows like "Jimmy Kimmel." For more information, you can check the websites of Paramount Television Audience Shows, NBC Television Network, CBS, ABC, or www.tvtickets.com

Exploring Los Angeles *Continued*

LA TOURS

There are many tour companies offering trips to all of LA's sights. Drive by stars' homes, take train tours of Southern California's wine country, boat tours of the coastline, or a walking tour of historic downtown!

MANN'S CHINESE THEATRE & HOLLYWOOD WALK OF FAME

This is the most famous theatre in LA. It is well known throughout the world. Here lie the immortalized handprints and footprints of America's favorite stars. Although you can still see movies in the Theatre, most people stop by to gaze at the signatures and prints in the cement. Hollywood Boulevard is known for its unique shops and the sidewalk paved with the names of famous stars. This is definitely unique to LA.

SUNSET BOULEVARD

One of LA's most famous streets, Sunset Boulevard winds through the city past some of LA's most well known sights. Along the drive known as the Sunset Strip, in the shadow of the Hollywood sign, you'll pass familiar buildings (Capital Records, Paramount Studios) and clubs (the Viper Room, the Rainbow Room). Some of today's hottest clubs and bars in this area are still loaded with stars.

As you head further west, Sunset winds through some of LA's most elegant areas (Beverly Hills, Bel Air) with multi-million dollar homes. You will begin to head into a lush green valley and then down, straight to the ocean. This is one of the best drives in LA!

UNIVERSAL STUDIOS AND UNIVERSAL CITY WALK

On the back-lot tour of Universal Studios you can see the sets of famous movies like Jaws and Back to the Future, see new sets and even see the stars themselves! This movie-themed park offers rides, shows and games that are packed with fun. Universal CityWalk, right outside of Universal Studios, is a popular nighttime destination. It has shops, restaurants, movie theaters and clubs. Parking is the only cost to visit CityWalk (no admission fee).

OUT ON THE TOWN...

Movies - Visit moviefone.com for a list of the movies you want to see, the times, and the locations of the closest theaters.

Music - In the 1960's, LA's music scene became world-famous. Some of the popular clubs from those days remain popular today. (The Whiskey A Go Go and The Roxy are two suggestions.) For information about LA's live music, visit ticketmaster.com or pollstar.com

Night Clubs - In Los Angeles, there are clubs for just about every type of person or event. Whether you want to go dancing, hear live jazz music, mingle with the stars or just relax, LA has many "hot spots" just for you!

Restaurants - Few places in the world can compare with the dining selection in LA. Find great places to dine by checking out the Zagat's Guide (a popular dining resource book). There is so much to choose from in LA, you can find food from just about every corner of the Earth!

Safety

» BE AN ACTIVE PARTICIPANT IN YOUR OWN SAFETY

USC is committed to protecting students and educating them about how to protect themselves in Los Angeles' urban environment. The USC Department of Public Safety (DPS), one of the largest campus public safety departments in the nation, works closely with the Los Angeles Police Department to ensure the university campus and surrounding neighborhoods remain as safe as possible.

Safety is a shared responsibility. Please review the information below to learn how to exercise caution in day-to-day situations, maximize personal safety and wellbeing, and make use of the extensive safety resources and services available at USC.

FIRST STEPS TO SAFETY:

- **Save the USC Emergency number in your mobile phone: (213) 740-4321**
- Sign up for TrojansAlert: trojansalert.usc.edu. Through the **TrojansAlert** system, university officials contact registered members of the Trojan Family via text message, voicemail or email to let them know about situations that may present a risk to public safety in our campus community.
- Download the **Live Safe App**, a safety app used by USC, by searching "LiveSafe" in your Google Play or Apple App Store.

CAMPUS-WIDE SAFETY

USC has many security cameras, license plate recognition cameras, emergency phones, and security officers on and near campus. Additionally, using USC Campus Cruiser (see Page 29) means you don't have to walk home alone.

Emergency "Blue Light" Phones

Over 400 Emergency Blue Light Phones are conveniently located across campus, which provide immediate access to a DPS communications officer and identifies the phone location if the caller is unable to talk. The phones can be used to request an escort, report suspicious activity, and to report crimes.

After Hours Visitor Policy

Anyone arriving on campus between 9 pm and 6 am, seven days a week, will be asked to show university identification to security guards stationed at the selected entrance points. USC students, faculty and staff must register any guests arriving to campus after 9pm through the online system at <http://visitor.usc.edu/>.

Each guest must present their identification to enter campus.

Students have to present their USC IDs at all on-campus dorms 24 hours a day and have to register guests with their USC ID and a fingerprint scan if living on campus.

REMINDERS FOR STAYING SAFE

There are many ways you can avoid being a victim of crime or getting hurt. Please see pages 19-21 for tips on staying safe at home, on the road, and in the event of an emergency.

IMPORTANT:

To report a crime in progress, suspicious or threatening behavior, or other emergencies:

- **At USC:** Call the USC Department of Public Safety: (213) 740-4321
- **Outside of USC:** Call the Los Angeles Police Department or Fire Department: 911
- **If USC has a major emergency or power failure,** your family can receive updated information by going to <http://emergency.usc.edu>

3 THINGS WE WANT YOU TO KNOW

1. ENHANCE YOUR SAFETY

Avoid walking alone or in isolated places. A city as large as Los Angeles has exciting highlights from downtown highrises to sundrenched beaches. Like most major cities, Los Angeles has crime that occurs.

To enhance your safety when out late, always:

- Avoid talking on your cell phone while walking or riding a bike
- Avoid taking shortcuts through alleys
- Use the escort services provided by USC Transportation.

USC Transportation

Tram and Bus Services provide safe transportation between the University Park and Health Sciences campuses as well as to North University Park, downtown Los Angeles, Marina del Rey, Alhambra and other locations. Trams and buses operate during working hours as well as on weekends and into the evening for some routes.

Campus Cruiser provides walking or vehicle escorts within approximately one mile from the center of the University Park campus for students, faculty, staff and university guests who work, study or take classes at night.

**Save the phone number for
Campus Cruiser into your cell phone:**

(213) 740-4911

The Yellow Cab Program allows students, faculty and staff to use their USCard to pay for transportation within a broad service area. Call (800) USC-TAXI. For more information on USC Transportation Services or call (213) 740-3575.

2. PROTECT YOUR PROPERTY

Avoid leaving your personal property unattended or unsecured. Even for a short while thefts can occur because it is a crime of opportunity. You may get distracted and leave your laptop, cell phone, or book bag containing valuable property or pertinent information such as identification cards, or class assignments, unattended. Most common places where thefts occur include libraries, resident hall rooms, cafeterias, classrooms, parks and athletic fields, bleachers, and locker rooms.

You can reduce your chance of becoming a victim of theft by doing the following:

- Take your property with you.
- Use anti-theft devices such as laptop cable locks or portable alarms.
- Avoid “piggy-backing” when you enter your building. Piggy back is when you allow others to follow you inside a building.
- Close and lock your room door after leaving, even for a short while.

Prevent Bicycle Theft

Always lock your bicycle to a bike rack and lock the frame of your bicycle not just the tire. See the sample to the top right.

Avoid leaving your bicycle locked and free standing. Although your bike may be conveniently locked to itself, a thief can easily pick up the bicycle and walk away with it.

3. FOLLOW BICYCLING RULES

USC requires all bicycles to be registered and display a decal issued by the Department of Public Safety. You may register your bicycle online or visit the Department of Public Safety office located at Parking Structure A. The cost for the decal and registration is FREE.

There are laws in the California Motor Vehicle Code that apply to bicycle use. These laws are enforced on the USC campus and the community surrounding the campus. If you ride a bicycle on campus, you are accepting responsibility for following the laws and the university bicycle policy.

GETTING AROUND USC SAFELY

There are many ways to avoid walking alone when traveling off campus. Listed below are some suggestions for getting around USC safely.

- If possible avoid walking alone, especially when upset, depressed, or after drinking. Instead of walking alone, get a friend to walk with you, or check the USC bus and tram schedules. Call Campus Cruiser if the tram does not operate in your area.
 - Connect with roommates and others in your complex concerning class schedules and studying at libraries. Possibly others are going to the same location and you can walk together. Also connect with others in your classes to see if they are going to the same location as you after class.
 - If you commute to campus: Connect with other commuter students in your classes and inquire on the possibility of parking in the same area or lot when you arrive or perhaps carpooling.
 - While walking off campus, stay alert to your surroundings and the people around you - don't become lost in thought or daydreams.
 - Avoid talking on your cell phone while walking, skateboarding, or bicycling. Use of cell phones while traveling often can result in accidents and can be a target for a thief.
- Walk with a self-assured stride; keep your head up; pay attention to your surroundings.
 - Keep your keys separate from your purse or backpack. Have your keys ready before you approach your vehicle or home.
 - At night, stay in well lit areas as much as possible. There are security guards in yellow jackets in the surrounding neighborhood who are in direct contact with the USC Department of Public Safety (DPS)
 - Get familiar with campus locations that are open 24 hours daily; such as the campus entrance gates (Gate 3 at Figueroa and 35th Street and Gate 5 at Jefferson Blvd. and McClintock Ave.); the Department of Public Safety, located on the west side of campus in Parking Structure A on McClintock Ave. by 36th Place).
 - Get familiar with the locations of the Emergency Phones (phones outside will have a blue light on top).
 - Try to vary your route; some assaults are planned in advance and an irregular schedule makes it easier to avoid an attack.
 - Try to keep one hand free when carrying books, packages, etc.
 - When waiting to cross the street, stand a foot or two back from the curb.
 - If you hear someone behind you, turn and look.
 - Be wary of people requesting help (directions, change, time, a cigarette, etc.).

Some rapists, purse snatchers, and other criminals use this approach to judge how compliant a person is, and to get physically close to them.

CAMPUS ACCESS POLICY

To ensure the safety of students, faculty and staff the university implemented the following campus access policy:

From 9pm to 6am each day, security personnel stationed at each open entrance will ask anyone coming onto campus—including students, faculty and staff—to provide their USC identification card or other approved photo identification.

Guests, including parents and family members, must be registered to access campus after hours. Students and employees may use the online guest registration system at <http://visitor.usc.edu> to register their guests. Once guests are in the system, their information will be immediately available to entrance personnel will be admitted upon showing their photo ID.

Any vehicle driven onto campus after hours will have its license plate photographed and cross-checked by campus police.

There are many security patrols, campus cruisers and cameras on or near campus.

Students Living On Campus

Students have to present their USC IDs at all on-campus dorms 24 hours a day and have to register guests with their USC ID and a fingerprint scan.

STUDENT SAFETY TIPS

Home Safety

- Keep your doors locked
- Do NOT “prop” doors open
- Lock windows and block sliding doors
- Do not admit strangers into your home
- Get to know your neighbors
- Keep emergency telephone numbers on your phone

Save these emergency phone numbers

DPS: (213) 740-4321 / Police: 911

Protecting Your Property

- Record serial numbers and descriptions of all your valuable items
- Register your bike with USC Department of Public Safety
- Report all thefts immediately
- Be alert at all times and report any suspicious activities to security

SMART PHONES

Avoid leaving your cell phone unattended or unsecured. In the event your cell phone is lost or stolen, we recommend the following to aide you in the recovery of your device. Apple iPhone, iPad, iPod touch, or Mac Apple has an app that will allow you to locate your apple device on a map, remotely lock your device, or erase your data.

Read more about this app at www.apple.com. Type the words “Find My iPhone” (or iPad, iPod, mac) in the search engine on the Apple website (www.apple.com)

ANDROID SMART PHONES

If you own an android phone, we suggest Lookout Mobile Security (www.mylookout.com/premium) where you can immediately map the location of your phone in any browser and sound a loud alarm, even if your phone is in silent mode. If your Android is lost or stolen, Lookout Premium enables you to remotely lock it and clear your personal data.

LAPTOPS

Many options are available to protect your data and to prevent theft, such as laptop locks, alarms, security labels and laptop tracking software. Victims can lose hardware, software and sensitive data that has not been backed up, as well as give thieves access to sensitive data and personal information.

DRIVING SAFELY

- Always wear a seatbelt (it’s the law)! Everyone in your car MUST wear a seatbelt at all times!
- Never pick up strangers
- Keep car windows and doors closed and locked
- Try to park in well-lit areas and avoid parking next to large vehicles
- Check the back seat every time before you get in your car
- Do not text or talk on the phone while driving. You can get a very expensive ticket for breaking this California law.
- Make sure children are in an appropriate car seat that meets legal requirements

BICYCLES

Bicycle registration is required at the university. Registration and licencing is free at the DPS Office. Go to <https://dps.usc.edu/services/bikes/> to register online.

Things you must have when riding your bike:

- A bike light when riding at night
- Working brakes - get new pads and adjustments at any bike shop.
- Helmet - California law requires all bicyclists under 18 years of age to wear a bike helmet when riding on all streets, bikeways, public paths, and trails (Section 21212 CVC). Persons 18 years or older are highly encouraged to wear a bike helmet while riding their bicycles. Helmets are available at any bike shop.

Safety *Continued*

If you ride a bicycle on the road, you must follow all California Vehicle Codes, the laws for cars and moving vehicles. This includes:

- Stopping at stop signs and traffic lights, moving in the same direction as cars and not wearing a headset or earplugs that cover both ears
- Riding in bicycle lanes: New bicycle lanes have been installed on campus to ensure the safety of bike riders and pedestrians. The bike lanes run along the central median of Trousdale Parkway. Arrows and a cardinal Trojan mark the new lanes. Bicyclists and skateboarders must ride in the direction of the arrows and are required to dismount when crossing pedestrian traffic.
- You may not ride your bicycle through a crosswalk. If you are crossing the street at a light in the crosswalk, you must get off your bicycle and walk.

SKATEBOARDS

If you are riding a skateboard on the sidewalk, you cannot perform “tricks” or ride in a way that will damage property (including the sidewalk, benches, etc.) or can be unsafe to others on the sidewalk.

PEDESTRIANS (Walking)

If you are on foot and you want to cross the street, you must cross in a marked crosswalk (between the white lines). You cannot cross diagonally unless the crosswalk is marked for crossing diagonally with white lines.

EARTHQUAKES

In the event of an earthquake, get under a table or desk and protect yourself from falling objects. Do not stand in a doorway. If outside, move away from structures, power poles and other possible hazards. Do not use elevators. After the earthquake, call public safety (213) 740-4321 to report any serious injuries or other immediate emergencies. Once you have exited the building (after the earthquake), do not reenter until the building has been inspected by trained USC emergency personnel and they say it is safe to return.

ONLINE SAFETY

Here are some safety tips to remember when using email, chat rooms, instant messaging, blogs, and social networking sites like Twitter or Facebook:

- Control the information you post.
- Never post your private information. Don't post your full name, ID number, address, phone number, or bank and credit card

account numbers — and do not post other people's information either.

- Make sure your screen name doesn't give specific information about you. Don't use your name, your age, or your hometown.
- Be careful what you put on a webpage. Make sure only people you know can see the webpage.
- Be careful about posting a photo of yourself. It can be changed in ways you may not like. If you do post a photo, choose it wisely.
- Talking to strangers online is dangerous. People lie about who they really are, and you never really know who you are chatting with.
- NEVER agree to meet a new online friend in person.
- If someone you are chatting with says something bad or potentially dangerous, tell an RA or an Academy staff member.

Important Information About Sexual Assault, Gender-Based Violence, Domestic or Dating Violence, and Stalking

» LEARN ABOUT CONSENT AND WHAT TO DO ABOUT SEXUAL ASSAULT

HARASSMENT

The University of Southern California is committed to maintaining an environment that is free from all forms of discrimination and harassment based on a protected characteristic. The protected characteristics under this policy include race, color, national origin, ancestry, religion, sex, gender, gender identity, gender expression, sexual orientation, age, physical disability, medical condition, mental disability, marital status, pregnancy, veteran status, genetic information, and any other characteristic which may be specified in applicable laws and governmental regulations.

Harassing, abusive, and intimidating behavior against anyone based on any protected characteristic is strictly prohibited by the University. The behavior does not have to be directed at a specific person or persons to constitute harassment. Harassing behavior includes but is not limited to:

- Ridicule
- Abuse
- Insults or derogatory comments
- Remarks about an individual's looks, clothing, or body parts
- Offensive comments about racial, ethnic, or religious characteristics
- Offensive remarks about an individual's gender
- Negative stereotypes
- Intimidating or offensive statements about mental or physical disability

SEXUAL ASSAULT

The University does not tolerate Sexual Assault, Sexual Harassment, or harm or misconduct due to your sex or gender. This includes domestic violence, dating violence, and stalking.

What is Sexual Assault?

A sexual assault is **any actual or attempted non-consensual physical sexual act** including, but not limited to, intercourse, penetration using a body part or object, fondling, groping or sexual contact. Sexual assault includes but is not limited to non-consensual sexual intercourse.

Sexual assault occurs where:

- There is no affirmative, conscious and voluntary consent, or consent is not freely given;
- Physical force, threats, coercion or intimidation is used to overpower or control another, or the person assaulted fears that he or she, or another person, will be injured or otherwise harmed if he or she does not submit; or
- There is no ability to give or withhold consent due to incapacitation, whether due to the influence of alcohol or other drugs, age or mental incapacity, or unconsciousness.

What to Do If...

...you have been the victim of a sexual assault?

- **Go to a safe location.**
- **Get medical care as soon as possible.** If you wish to get help from a rape treatment center, contact the Santa Monica Rape Treatment Center or the USC Violence Intervention Program. More information about both is centers is at sarc.usc.edu
- **Preserve all physical evidence of the assault**, even if you are unsure whether you want to report the crime. Do not shower, bathe, douche, eat, drink, wash your hands or brush your teeth until after you have had a medical examination. You may also choose not to have a physical examination.
- **Save all clothing that you were wearing at the time of the assault** and bring them and any other potential evidence to the medical exam. Place each item of clothing in a separate paper bag. Do not use plastic bags. Do not clean or disturb the area of your body where the assault occurred. A forensic examination is one way to preserve evidence, but it is not the only way.
- **Preserving Other Evidence:** You can easily take some important steps to preserve evidence by saving all text messages, emails, social media postings (taking screenshots can be helpful) or anything else that might relate to the assault, or that might be helpful later in reconstructing a timeline of events.

Important Information About Sexual Assault, Gender-Based Violence, Domestic or Dating Violence, and Stalking

» LEARN ABOUT CONSENT AND WHAT TO DO ABOUT SEXUAL ASSAULT

Write down the names of people who might have seen you immediately before or after, as it's easy to forget names or locations. Even if you do not want to participate in the investigative process now, you might later change your mind, so it's helpful to preserve as much information as possible.

- **Call a trusted friend, family member or someone else** who can provide emotional support.
- **Relationship and Sexual Violence Prevention Services (RSVP)** can provide confidential support and information, 24/7. **(213) 740-4900**
- **Reporting:** Any victim of a sexual assault is encouraged to make a report to the Department of Public Safety and to local law enforcement, but is not required to do so. Note that any information given to DPS will be shared with LAPD if DPS determines that there is evidence of criminal conduct.
- **Contact the Title IX Coordinator (213 821 8298)** in the Office of Equity and Diversity to get additional information about options and next steps.

... someone tells you about a sexual assault?

- Listen to what he/she tells you. Sometimes assault victims need to talk about the attack. Don't interrogate.
- Don't blame - this is not the time to question their decisions.
- Allow your friend or the student making the disclosure the freedom to choose when, where and how to talk about her or his experience.

- Be sensitive. Understand that she or he is in distress, and will be dealing with a wide array of strong, and sometimes overwhelming, feelings.
- Respect your friend's confidentiality and don't share information about his or her experience with other friends.
- Be patient. Recovery from sexual assault can be slow. Your friend sets the pace.
- Realize that you may also have strong feelings about the trauma. If needed, seek support for yourself. The USC Counseling Center offers one-on-one counseling and discussion groups for friends.
- Remember that whatever your friend did to survive an attack was exactly what he or she needed to do. Your friend did not cause the attack and is not at fault.

If the victim of a sexual assault is a student, you may also wish to walk him or her over to the USC Relationship and Sexual Violence Prevention Services, or Student Counseling Center, in Engemann Student Health Center, or help the student to call them. They are available 24 hours a day, 7 days per week. It's never too late to seek emotional support.

DOMESTIC / INTIMATE PARTNER VIOLENCE

Domestic violence or dating violence means abuse committed against a person who is a spouse or former spouse, a cohabitant or former cohabitant, a person with whom he or she has a child, or with whom he or she has, or had, a dating or engagement relationship.

Intimate partner violence means violence by a person who is or has been in a romantic or intimate relationship with the victim.

Domestic violence, or dating or intimate partner violence, can happen to anyone. It affects people of all genders, races, and socioeconomic levels.

If you or a friend or colleague is a victim of domestic violence, know that help is available at the Center for Women and Men. Domestic Violence, or intimate partner violence is also a crime in California. You may also wish to contact local law enforcement. Forms of domestic violence may include physical, sexual, psychological, emotional, or economic harm.

What is stalking?

Stalking is a **non-consensual course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others or suffer substantial emotional distress.**

"Course of conduct" means behavior composed of two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, engages in any of the following: monitoring, following, observing, threatening, surveilling, or communicating to or about a person, or interfering with a person's property.

Important Information About Sexual Assault, Gender-Based Violence, Domestic or Dating Violence, and Stalking *Continued*

Stalking is also a crime in California. You may also wish to contact local law enforcement.

What to Do If...

...you are being, or have been stalked?

- If you feel you are in danger, **immediately call the USC Department of Public Safety (DPS) at (213) 740-4321**. If you are off campus, contact local law enforcement.
- **Contact support services such as Relationship and Sexual Violence Prevention Services, at (213) 740-0900**. Staff there can help develop a safety plan, provide advice on seeking a temporary restraining order or other no-contact orders, and provide counseling.
- **Try to retain documentation** of the stalking incidents such as messages, texts, and/or other items.
- **Keep a log of the dates and ways** that the other person contacted you or attempted to contact you.

1. **Get to a safe location**, and get medical care
2. You are encouraged to **make a report to the Department of Public Safety (DPS) and/or local law enforcement**, but no one is required to do so. Top 10 Bystander Tips

If you see that a member of our community is becoming too aggressive, or is vulnerable to a sexual assault, you can help.

1. **Stay safe** – only intervene if it feels safe to do so
2. **Watch out for your friends who might be in an unsafe situation.**
3. **Watch out for your friends who are making bad choices**, like flirting with someone who's too drunk.
4. If you aren't comfortable intervening, **ask someone else for help**. Sometimes a group intervention is most effective. Or their friends might help, if you don't know the person too well.
5. **Say something to distract**: Do you have the time? Do you know if there are other parties near here? Hey, can I talk to you? This party is dead, don't you think – let's go somewhere else.
6. If you say something, remember – **you do not have to be aggressive, and do not use violence.**
7. **You can intervene**: "Sorry, she's with me," or "I promised to get him home before midnight so, sorry, he has to go now."
8. **Disapprove**: "I wouldn't do that if I were you"
9. If you don't want to say anything, **simply let your presence be helpful.**
10. **Call for help** – DPS: (213) 740-4321 / Police: 911

Health Care and Insurance

USC HEALTH INSURANCE AND THE ENGEMANN STUDENT HEALTH CENTER

International Academy students are insured by a plan through the USC Student Health Center during the term that they are enrolled. Health care services include doctor visits, information on health problems, allergy shots, minor surgery and X-rays, all of which are available to insured students.

To use the services, students should go directly to the Student Health Center and show the receptionist the International Academy insurance card or your student ID card.

There are some small fees associated with seeing a doctor, such as fees for blood tests, x-rays, and other tests. Doctor visits can be on a walk-in basis, but appointments with specialists must be made a week in advance.

More detailed information about your health care will be given to you during the first few days of the program.

Please note that if you make an appointment for services at the Health Center and do not show up, you will be charged a \$20 no show fee.

To print your health insurance card go to <https://engemannshc.usc.edu/insurance/insurance-plan/>. Click on “Print Your Aetna Card” and enter your birthdate and USC ID number.

MEASLES AND MUMPS IMMUNIZATION AND TUBERCULOSIS SKIN TEST

USC requires all students to receive two doses of the MMR (Measles, Mumps, and Rubella) vaccine, show proof of 2 Measles & 2 Mumps injections, or show proof of immunity to both. Acceptable forms of proof for the MMR are childhood immunization records or a blood test lab result.

If you are unable to provide proof, you must receive the MMR vaccine and then after 4 weeks, receive your second MMR.

All international students are also required to be screened for tuberculosis in the U.S. or Canada within 6 months prior to the first semester of enrollment at the Academy. The MMR immunization and T-spot blood test will be administered by Student Health Center staff at a special Health Workshop. The schedule for these workshops will be announced after you arrive at the International Academy (usually after Orientation Week).

PLEASE NOTE: Women who are pregnant or plan to become pregnant within one month of the workshop date should not receive the MMR vaccination. If you have questions about this, please consult the Health Center staff.

OTHER HEALTH INSURANCE PLANS

The USC Insurance Plan is required for all students at the International Academy. Dependents not enrolled at the International Academy should all contact Aetna directly.

Plans purchased elsewhere will not waive you from your USC insurance requirement. As a result, we advise you not to purchase an insurance plan in your country or from other countries.

Money & Banking

MANAGE YOUR MONEY

We recommend you do not carry large sums of cash with you when you travel.

OPENING A BANK ACCOUNT

If you are staying in the U.S. for longer than three months you may wish to open a bank account. Many students use Bank of America or Chase Bank since there are many branch offices all over California and they have many account options. They also have employees who can translate in several languages. The USC Credit Union offers a full range of banking and account options as well.

GENERALLY, TO OPEN A BANK ACCOUNT, YOU NEED:

1. **Passport**
2. **Documents that prove you are currently enrolled at USC (I-20, Student ID, Admission Letter)**
3. **A minimum deposit of \$200 or more**

These requirements may vary depending on the bank.

ACCESSING FUNDS IN THE U.S.

A good way to deposit money into your account is by bank wire transfer. First, you need to open an account with a minimum of \$200 (cash, travelers check, bank check or charge card).

Once the account is established, you can have funds wired directly to your account. It usually takes a few days for the money to be available. Bank fees apply to many transactions. Please check with the bank of your choice.

AUTOMATED TELLER MACHINES (ATM)

Debit and credit cards are common in the U.S. You can apply for a debit card (also known as an ATM card) when you open your bank account. A debit card allows you to withdraw or deposit money and check your account balance. ATM machines can be found at banks, shopping centers, supermarkets, and on the USC campus.

Some businesses now allow customers to use their ATM cards to pay for purchases (most often at gasoline stations and supermarkets). When using ATM machines, be sure to follow necessary security precautions to guard against theft.

Note: There is usually no fee for using your ATM card at your bank or its branches. However, there is a small charge when using it at other banks.

Nearby ATMs:

- *USC Credit Union: a variety of locations on and off campus, including ATMs outside the Student Union building (in Campus Center)*
- *Chase: located at University Gateway on the corner of Figueroa Street and Jefferson Boulevard*
- *Citibank: located just west of campus at Vermont Avenue and 36th Street near Togo's and Taco Bell*
- *Bank of America: several locations; outside of Student Union building, on the corner of Jefferson Boulevard and McClintock Avenue, and at the corner of Figueroa and 27th Street*
- *Wells Fargo: on the corner of Figueroa Street and 28th Street; if going north on Figueroa (toward downtown), it is on the left side*

Transportation

» NAVIGATE THE CAMPUS AND CITY

GETTING TO AND FROM USC

Free bus transportation to the University Park Campus is available to students living in the nearby area (sometimes referred to as "USC trams"). A bus route connects the University Parking Center at Jefferson Boulevard and Grand Avenue with various University Park Campus locations. An intercampus bus runs between the University Park and Health Sciences campuses. The bus service links both campuses to Union Station—the major Los Angeles transportation hub, serviced by Amtrak, Metrolink, Metrorail and local transit bus lines. USC trams operate designated routes Monday through Friday; limited services are provided on weekends.

USC Campus Cruiser provides either a walking or vehicle escort to your destination within a one mile radius of campus. During the fall and spring semesters, this free service operates from 6 p.m. to 2:45 a.m., seven days a week, except for university holidays. To arrange a ride from the University Park campus, call (213) 740-4911; from the Health Sciences campus, call (323) 442-2100.

DRIVING IN CALIFORNIA

During your first three months in the U.S., you may use your driver's license from your home country together with an International Driving Permit/License and your passport.

If you stay in the United States longer than 3 months, you will need a California driver's license to drive. Your I-20 needs to be valid for least 2 months after the date you pass your driving test. For more information, check the Department of Motor Vehicles (DMV) website at www.dmv.ca.gov

METRO RAIL

Within walking distance from campus you will find a METRO train stop that you can take to Downtown Los Angeles, Hollywood, Universal Studios, Santa Monica, Union Station (where you can find train connections to other U.S. cities and states), Long Beach, the airport and many local attractions.

Good Places to Study At USC

This list was compiled by USC students based on some of their favorite study spots. This is only a partial list; feel free to find your own “quiet space” on campus or nearby!

MUDD HALL OF PHILOSOPHY (MHP)

There are many quiet places to study in this beautiful building including a lovely courtyard. It is on the far end of campus (next to Exposition Boulevard) so it is not busy. The best place in this building however is the Hoose Library on the top floor--take a walk up the stairs to see it for yourself. It is breathtaking, secluded and quiet!

RONALD TUTOR CAMPUS CENTER (RTCC) TROJAN FAMILY ROOM

Situated inside USC’s student hub, the Trojan Family Room is central to everything you need – a place to study, food nearby to replenish your tired mind, and fancy furniture to cushion your bum from all those hours of studying. You’ll appreciate that the space is also aesthetically appealing for when your eyes wander away from your textbook.

LEAVEY LIBRARY (LVL)

This large library is filled with floors of study space but it is always busy. There are computer labs in the basement and on the second floor with plenty of studying area in each. You can also reserve a study room for individual or groupwork.

TAPER HALL OF HUMANITIES (THH)

There are several great places to get some work done in this building. On the fourth floor there are several chairs and couches down the winding hallway. There’s lots of sunlight and it’s always quiet here as well. Another good spot is the Language Center located on the 3rd floor.

DOHENY LIBRARY (DML)

This is perhaps the best place on campus to study because there are floors of desks and tables hidden amongst the book stacks. If you like to be secluded and undisturbed, head down the elevator and sneak around to a quiet corner. If you like large open wood tables, try the first floor Cinema Library. Doheny Library is a great place to study if you love books because the entire place smells like old books! The only problem is that once you are underground, there are no windows, so keep an eye on your watch!

FOUNDERS PARK

Located directly beside Bovard Auditorium (ADM), this is a prime location for studying on sunny days. You can sit on the benches or sit in the grass. Usually this area is relatively quiet and empty.

QUEEN’S COURT

This is the area next to the Music School (MUS, RHM, BMH). This is one of the most lovely and tranquil places to study at USC. There are plots of flowers, grassy hills and sculptures. This is also a great place if you enjoy calming noise while you study--there are almost always music students practicing or, if not, you can hear the relaxing sound of the fountain.

GROUND ZERO

Tucked away behind Marks Tower (DMT), Pardee Tower (PDT) and the Dean’s Halls (DXM, TRO), Ground Zero can be a good place for studying. It opens at 7pm on weeknights. Known for its comfortable chairs and couches, it makes a great place for reading when there aren’t concerts or events going on. Since not many people know about Ground Zero, it is relatively quiet. While you’re there, try a Chai Milkshake!

Other small campus libraries:

- VKC Library (basement of VKC)
- Cinematic Arts, East Asian Libraries (in Doheny)
- Architecture and Fine Arts (basement of WAH)
- Law Library (2nd floor of Law School)
